ef: Your D.O. No. C.3.839/47 d/16-9-1947.

The Government generally approve the revised programme the movement of groundnut oil cake submitted with your D.O. cited. In this connection I am to point out that no provision has been made for the movement of any stocks from the North and South Vizagapatam though it is understoood that cultivation in that district is over. According to the details furnished by you recently about 7500 tons are in the Agricu-ltural Depots and about 2000 tons with millers in that distric t. I am to enquire whether any part of the stocks can moved for utilisation elsewhere after allowing provision for requirements.

2. I am also to request you to submit a fortnightly report on the movements of groundnut oil cake with reference to the programme now formulated on the 10th and 25th of each month. The first report should be for the second fortnight of September 1947 and reach the Government by the 10th of October.

No. R.O.C. G-3-839/47 dated 7-10-47 .

Sir,

Agriculture- Grow More Food- Groundnut cake- movement of-

Ref: D.O. No. 85800 . A. III/47-2 dated 26-9-47.

The stocks of groundnut oil cake in the districts of North and South Vizagapatam as on 1st September 1947 were as follows:

Name of district.	stocks with millers.	stock in the depots.	Total (tons)
North Vizagapatam.	814 tons	2228 tons	3042
South Vizagapatam.	551 "	2624 "	3175
			6217

To meet the immediate demands of the ryots in the flood affected areas in Ellore taluk, 300 tons of groundnut oil cake were allotted as a special case and South Vizagapatam has been asked to supply 300 tons to Ellore. This was not included in the programme as the general bulk allotments had by then been completed.

To meet the manurial demands from the ryots in the Budameru flood affected areas five hundred tons have been specially allotted to Kistna. The District Agricultural Officer Kistna has been permitted to utilise for the purpose 500 tons from the stocks in the Mills in Kistna. To this extent the supply to Nellore which was originally programmed from Kistna has to be arranged from elsewhere. Five hundred tons have been now programmed to be supplied from South Vizagapatam to Nellore.

250 tons of groundnut cake have been allotted to Orissa Government in Government letter No. 660- Dev. dated 26-9-47, and the District Agricultural Officer Chicacole has been asked to released 250 tons to Orissa.

Thus 1050 tons will be moved out of Vizagapatam from the stock of about 6000 tons. The balance will be utilised to meet the manurial demands from the Kollair flood affected areas in West Godavari.

There is no immedia[illegible]mand for cake in North and South Vizagapatam and East and West Godavari, as submitted in my G-4-843/4 dated 30-9-47 to which attention is kindly invited.

The District Agricultural Officers have been instructed to submit a fortnightly report on the movements and the first report will be for the 1st fortnight of October 1947, as movements as per the new programme have not commenced in September 1947.
